Dear Mr. Nability:

This letter is to inform you that the recertification process for CHASE BLUE status has been completed. Your on-site validation was performed at Centre College in Danville on June 2, 2010.

The Construction Partnership Program has found that all requirements set forth by the A.G.C. CHASE program continue to be in place. Pursuant to the terms of our Partnership Agreement this recertification of BLUE LEVEL is effective June 3, 2010.

I would like to congratulate you on the achievement of maintaining your BLUE LEVEL status. As you are aware, obtaining BLUE LEVEL is a great achievement, maintaining it is extraordinary. Your ability not only to achieve, but maintain BLUE LEVEL status proves your dedication to safety and health in the workplace.

By copy of this letter, I have advised the Executive Vice President, Richard Vincent, of the AGC of Kentucky and the KY-OSH Division of Compliance of your continued status as a BLUE LEVEL Member of the CHASE Program. Please feel free to contact me if you have any questions.

Sincerely,

William Carey, Construction Partnership Program Administrator
